Water Separator/Fuel Filter

State-of-the-art filter removes water and other contaminants from the fuel before they reach your engine. It features a transparent removable bowl for easy viewing of fuel condition and a drain valve for water and other impurities. Due to the high flow rate capabilities of this filter system, a special large diameter thread is used. Use only Genuine Suzuki Replacement Filter 99105-20005.

99105-20005	Replacement Filter
99105-20005-ASY	Complete Assembly
99105-20004-BWL	Bowl and Drain Valve Assembly

Compact Water Separator/Fuel Filter

Compact size Water Separator/Fuel Filter is ideal for smaller boat-motor combinations of up to 140 H.P. Not for V6 Models.

99105-20006	Replacement Filter
99105-20006-ASY	Complete Assembly
99105-20006-BWL	Bowl and Drain Valve Assembly

Plastic Fuel Tanks*

Constructed of tough, lightweight, high-density polyethylene and made to CARB / EPA standards.

65000-99J01	3 Gallon Tank without Fuel Level Gauge
65000-95J01	6.6 Gallon Tank with Fuel Level Gauge
65520-95J00	Replacement Fuel Cap

* not for use with DF 4/6 without fuel hose with pressure regulator see dealer for details.

Fuel Hose

Fuel Hose selection depends on your motor and fuel tank. Please consult your local Suzuki Dealer.

Fuel Connectors - Motor Side

Male connectors are located on the motor side, for fuel hose attachment.

65720-98520	OD:11mm	Plated Brass	DT3.5 - 65
65720-95511	OD:13mm	Plated Brass	DT75 - 140A
65720-94401	OD:13mm	Plastic	DT4 - 65
65720-94411	OD:13mm	Plastic	DT75 - 140A
65720-986B0	Plastic		DF4 - 140A
65721-87D00	OD:13mm	Plastic	DT150 - 225 (not hown)

Fuel Hose Connectors

Quick connect and disconnect female fittings fit either hose end.

65750-98505	ID:11mm	Metal for small diameter hoses	
65750-93000	ID:13mm	Metal for small diameter hoses	
65750-95500	ID:13mm	Metal for small diameter hoses	
65750-94404	ID:13mm	Plastic	DT4 - 140A
65750-87J11		Plastic	DF4 - 140A

Fuel Tank Connectors

Fuel tank connectors are available in stainless steel with metric thread and plated brass with 1/4" NPT.

65720-98590	OD:11mm	Metric	All Models
65740-95500	OD:13mm	Metric	All Models
99105-00192	OD:11mm	1/4" NPT	U.S. Tanks
99105-00193	OD:13mm	1/4" NPT	U.S. Tanks
